

## BC Association of Chiefs of Police News Release

### **A Message from the Incoming BCACP President**

**Victoria BC-** On behalf of all members of the BC Association of Chiefs of Police, I would like to wish everybody a very happy New Year.

BCACP is an association representing the senior police leadership of both RCMP and municipal police agencies within British Columbia. There are also associate members from various law enforcement and other agencies. I have the honour of serving as BCACP president in 2019 and I hope to continue the work the association has undertaken under the leadership of Chief Constable Del Manak in 2018.

I would like to thank Chief Manak for his contributions to the association during his term as president. The past year saw major police-related developments in British Columbia which included the legalization of cannabis and the ongoing discussions regarding street checks. Throughout the next year, we will continue to support consistency in delivering respectful, lawful and bias-free policing practices throughout the province.

Superintendent Ted De Jager  
President, BC Association of Chiefs of Police  
Officer-in Charge, Penticton South Okanagan Similkameen Regional RCMP Detachment
